

Nicholas Wins Handball Title

Fred Nicholas, former city-high school champion, was crowned all-university hand ball champion last night before a capacity crowd in the men's gym when he defeated Al Perel 21-6, 13-21, 21-13 in the finals of the tournament.

Playing a fast game from the beginning, Nicholas easily defeated Perel, former all-U champ in the first game with his smashing kill shots and his over-hand lobs.

In the second game Perel got his tricky serve working and pulled out in front of Nicholas 8-0. Getting down to work, Fred tied the score at 8-8 and then after a five minute rally, he dropped to the floor with his leg badly out of joint. The doctor was called and after working over the prostrate player for about ten minutes, he pronounced him again fit to play. Noticeably slowed up, Nicholas dropped the game 21-13.

After a ten minute rest between the second and third game, the handballers resumed play for the third and final game. With grim determination on their faces the players fought back and forth for the deciding game. P
